DRESS CODE

Students are expected to adhere to standards of dress and appearance that are compatible with an effective learning environment. Presently a bodily appearance or wearing clothing which is disruptive, provocative, revealing, profane, vulgar, offensive or obscene, or which endangers the health and safety of students or others is prohibited.

Principals shall exercise appropriate discretion in implementing this policy, including making reasonable accommodations on the basis of students' religious beliefs or medical conditions. Individual schools are permitted to specify additional examples of dress or appearance that are prohibited at the schools under this policy.

If a student's dress or appearance is such that it constitutes a threat to the health or safety of others, distracts the attention of other students or staff from their work or otherwise violates this dress code, the principal or the principal's designee may require the student to change his/her dress or appearance. A repeated violation of this policy may result in disciplinary action.

The board directs the superintendent to develop appropriate administrative rules to put this policy in effect.

School Uniforms

Florence School District Three schools, for the purposes of increasing student achievement, promoting safety, improving

State law requires a parent/guardian to cause their children, from age five until the attainment of their seventeenth birthday or graduation from high school, to attend regularly a public or private school. If a student is not six years of age on or before the first day of September in a particular school year, the parent/guardian may elect for his/her child not to attend kindergarten. For this purpose, the parent/guardian must sign and provide to the district a written document making such an election. The Board expects school-aged children to attend school regularly. The district shall develop procedures to implement this policy.

FAMILY EDUCATIONAL RIGHTS PRIVACY ACT (FERPA)

This is to advise parents that pursuant to the Federal "Family Educational Rights and Privacy Act of 1974" (FERPA), and its implementing regulations, as well as District policy and regulations, parents/guardians or students under 18 years of age and students over 18 years of age ("eligible students") are entitled to certain rights with respect to a student's education records. These rights are set forth below:

Upon receipt of such request, arrangements shall be made to provide access to such records within a reasonable period of time, but in any case, not more than forty-five (45) days after the request has been received.
2. Parent(s)/guardian(s) and eligible students are also entitled to challenge the contents of such records, to ensure that they are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, and to ask for the correction or deletion of any such inaccurate, misleading, or otherwise inappropriate data contained therein. Parents/guardians and eligible students are also entitled to notice of any decision by the District not to amend a student's education records as requested by the parent/guardian or eligible student, and of their right to a hearing regarding the District's denial of a request for such an amendment. Transportation for students on a state-owned bus is a privilege and not an absolute right. We expect all passengers to behave and act in a mature, responsible manner. We believe that all students can behave appropriately when required to do so.

A student must ride his/her assigned bus at all times. Permission to ride a different bus may be granted only by the school's administrator, provided there is space available and a signed, written parental request for such permission is submitted to the school. A copy of the parental request will be kept on file at the

school. Telephone calls will not be accepted. This places your child at risk.

BASIC SCHOOL BUS RULES

- Keep hands feet, and objects to yourself.
- Sit in assigned seat and remain seated while the bus is in motion.
- Do not use profane or obscene language, gestures, or loud noises.
- Do not vandalize the bus and equipment in any manner.
- Do not use tobacco, radios, or any other unauthorized materials on the bus.
- ABSOLUTELY NO EATING OR DRINKING ON THE SCHOOL BUS.
- Obey the bus driver's requests at all times for safety reasons.

CONSEQUENCES FOR BUS RULE VIOLATIONS

Consequences for violation of bus rules may result in loss of bus riding privileges, either temporary or permanent. For more detailed information, contact your child's school.

For an offense that the principal/bus supervisor considers major and may endanger the safety of passengers /driver, the student may be removed from the bus immediately and the principal/bus supervisor may impose a more severe punishment.

Please be sure you have your child at the bus stop before the bus actually comes to a complete stop. If the driver has to wait on children to come out of the houses, it will cause the bus to run late for school. Please have your children ready and waiting at the appropriate time. If you want to talk with your child's bus driver, please call the school to arrange a meeting. For safety and time reasons, please do not attempt to talk with the driver at the bus stop.
