

**Florence County School District Three
Lake City, South Carolina
Network Upgrades
RFP # FLO3-2024-001**

Addendum One – December 12th, 2023

Following are changes, additions, deletions, clarification, or additional information to the RFP. All addenda are considered a component of the RFP.

Changes / Clarifications to the RFP:

None.

The Following are E-Mail Questions and Answers through December 11th, 2023:

Question 1: *“Do we as a vendor have to be a Cisco Partner?”*

Answer 1: Per page 8 of the RFP, *“All supplies or equipment offered to the District must be **NEW** and provided by an **Authorized Reseller**. Materials required must be in conformity with the specifications and shall be subject to inspection and approval after delivery, and shall comply in quality and type of material and method of manufacture with all applicable local or state laws pertaining thereto. The right is reserved to reject and return at the risk and expense of the vendor such portions of any shipment that may be defective or fail to comply with specifications and without validating the remainder of the order. In addition, the manufacturer’s standard warranty will be required in writing with delivery of goods and services.”*

Question 2: *“Will this equipment be put on SmartNet?”*

Answer 2: The district would like to review all options available to them and encourages offerors to provide comprehensive bid responses as they see fit. Using the information provided, please propose your best solution. Please provide sufficient support in the proposal response submitted to align with the scope of services requested in the Form 470 and RFP. Include sufficient parameters and configuration to support the proposal response.

In preparing your bid response, make any assumptions necessary, take any exceptions necessary, and document each. Any disparity between an appealing response and the requirements of the District will be negotiated prior to executing a contract.
